

AI Accelerator Programme for Manufacturing Companies : Starting 1st October -This 10 week hybrid programme is open to manufacturing companies of all sizes and sub-sectors across Ireland. It will provide a structured pathway from AI strategy to deployment, helping companies understand, adopt, and scale AI effectively.

Applications Now Open

Powering Up : Carrick Business Campus Advisory Group and Leitrim County Council are bringing together a powerful lineup of speakers and entrepreneurs for an inspiring event designed to spark ambition and connect Ireland's brightest minds. Powering Up, hosted by Norah Casey will bring together emerging entrepreneurs, regional business leaders, investors, and changemakers to explore how Irish enterprise can think and act with a global lens.
